

Call for Nominations 2018 Elections

With the voting period closed, we appreciate all your time invested in electing the members of our council. Still, there are two regional representative positions to be filled throughout the process. Which is why I am reaching out to you once more.

The Organization's Elections Committee seeks nominations for candidates for the Northern Plains and Caribbean Regional Representatives positions of NOPHNCSE, in Fall 2018. Nominations are due by November 16, 2018.

All members of the Organization in good standing from the Northern Plains and the Caribbean are eligible to be elected to officer and Council positions and to nominate other eligible members. The committee seeks two candidates.

If you wish to nominate yourself to one of these positions or to nominate another eligible member, you must submit the following information to the Election's Committee starting November 13, 2018 until November 16, 2018 by accessing our webpage www.nophncse.org:

1. The position for which the individual is being nominated.
2. The name, and e-mail address of the individual being nominated.
3. The name, and e-mail address of the individual making the nomination (if not self-nominating).

The Elections Committee will submit its final report to the Council by November 20th. All proposed nominees who meet the eligibility requirements will have their names included on the ballot for the election starting December 5, 2018 to December 9, 2018.
